Re: Facility ID # 25-0086  
Permit Number: **968889P**

Dear Mr. Smith or responsible official:

The Division of Air Pollution Control is completing file reviews in an effort to ensure all required permits have been obtained and are not beyond their expiration date. During our review, it has come to our attention that construction permit number **968889P** is due to expire on **August 1, 2015**.

If this source has begun operations, please ensure all conditions of your construction permit have been met. This includes the submittal of an operating permit application, and startup certification if required. However, if startup has not occurred, it may be necessary to apply for a request to extend the expiration date.

Application form CN-0730 (APC 100) is located at (<http://www.tn.gov/environment/permits/airoper.shtml>). You now have the option of submitting your application via email to [Air.Pollution.Control@tn.gov](mailto:Air.Pollution.Control@tn.gov). The submittals must be signed and in PDF format.

However, if you prefer to mail your applications, please note that our Nashville office recently moved to

**WILLIAM R. SNODGRASS TN TOWER**  
**312 ROSA L. PARKS AVENUE, 15<sup>TH</sup> FLOOR**  
**NASHVILLE, TN 37243**

Should you have any questions, feel free to contact me at (931) 432-7621 or [Jeff.Cales@tn.gov](mailto:Jeff.Cales@tn.gov). If the application process has already begun, please disregard this letter.

Sincerely,

A handwritten signature in blue ink that reads "Jeff Cales".
